

## TOP REASONS TO CHOOSE PTW

### Reason #7 - Our Wide Variety of Course Selection, With Expert Teachers in Each Area, Enables Students to Receive a Comprehensive Performing Arts Education "Under One Roof"

**Holly Palker, PTW Parent**

*"Singing, acting, and dancing under one roof has helped Olivia to be a well-rounded performer. Quite frankly, all of the options are very easy for her to embark upon. We don't have to go to a separate place for each thing. We're able to schedule her private sessions the same day she has class. It doesn't conflict with soccer practice."*

**Jeslyn Z., PTW Student**

*"It really helped me become a triple threat. It helped me get more organized because I saw what class I was going to, had a schedule, had a binder, didn't have loose papers flying all over the place."*

**Diane Lilli, Writer & PTW Parent**

*"You don't just go in a room and fly around and tap your feet. You learn specific roles, you learn the discipline of dance, how to speak, how to sing, how to act, how to control your emotions if you're on stage, and how to really get along in any situation and own it."*

**Kendall K., PTW Student**

*"I never thought I could grow so much in singing, and dancing, and acting. It was just amazing."*

**Danielle R., PTW Student**

*"It's helped me become a more well-rounded performer. I was introduced more to the dancing side of being a performer, and acting wasn't really my strongest suit. When I came here, they nurtured me and they helped me become a better actor."*

**Victoria Atwater Reed, Professional Opera/Concert Singer & PTW Parent**

*"I think we'll stay here forever. This will be our performing arts development program. This will be it. We're not looking any further because we don't and would never feel the need to. We're getting everything we need to here and we're delighted."*
