

PERFORMERS THEATRE WORKSHOP

PTW Junior Summer Camp (Ages 4-8)

For over a quarter of a century, PTW has been committed to the arts education of all our area's children: students starting out, advanced performers, and those who just want to have fun.

PTW offers two three-week sessions for young performers!

Our Junior Camp combines singing, acting, and dancing to introduce and establish the building blocks of performing, foster creativity and nurture self-esteem. Through positive and imaginative class experience, these young performers develop confidence in singing, acting and dancing, strengthen their skills and have lots of fun!

There will be a performance at camp during the last week of each 3-week session (7/13 & 8/10).

Join us this summer for PTW learning and fun!
