## **PTW PRODUCTIONS SHOWS**

Shine on Stage! (Ages 8-12 & 13-18)

*Audition Submission Required*

One of the key aspects of PTW's summer musicals is our all-embracing philosophy: every student who auditions is warmly welcomed into our vibrant cast! Whether it's through a solo speaking role, a captivating solo singing performance, or a blend of both, each student is given the opportunity to shine. As they journey through rehearsals, they not only refine their artistic skills but also experience the sheer joy of theater. At PTW, our stage is a place where every young artist gets to shine, creating unforgettable memories and incredible experiences!

What differentiates PTW Productions Shows is our emphasis on teaching solid, high-level technique!

Throughout the rehearsal process our conservatory trained teaching artists and faculty facilitate breakthroughs with each performer by teaching conservatory level technique; making it understandable and easy to grasp for younger performers. The result is that PTW performers experience the fun of learning and performing in a show plus the excitement of making breakthroughs in their performing skills as well.

Each registration offers not only a gateway to exceptional performing arts training but also includes two personalized 30-minute private lessons with one of our expert faculty. These sessions are designed to refine your technique, using the very songs and scenes from our upcoming show as a dynamic vehicle for breakthroughs in performance skills. Dive deep into the art of expression with us, where each lesson is a step towards mastering your craft on stage!
